Overview

Microsoft recently announced that the Education and Nonprofit catalogue would be available in NCE as of March 2024.

As of January 2024, Microsoft will be forably migrating all active CSP subscriptions over to their NCE equivilents. CSP subscriptions will be moved to NCE if they have an upgrade path, regardless if they are set to auto renew or not.

We have created this handy table of Microsoft SKUs to show their NCE equivalent product ID
